**11. Approve operating procedure for collateral as it relates to investment of district funds and appoint designee to approve such collateral.**

The board is asked to adopt the following operating procedure for collateral as it relates to investment of district funds and to designate the Superintendent of Schools to approve collateral as per these guidelines:

**12. Consider resolution authorizing the Superintendent of Schools to use facsimile signatures for checks and to use the current signatures until new signatures are determined and obtained.**

To simplify the bill paying and payroll operations of the district, the board has authorized the use of facsimile signatures on all district checks. This eliminates the need to have each officer sign each check issued. The following resolution will accomplish this:

“RESOLVED, that the school board desires to use facsimile signatures on all district checks to eliminate the need to have board officers sign each check issued. The Superintendent of Schools shall provide for this procedure. The board also directs the current facsimile signatures be used until the new signatures can be obtained, if necessary.”

**13. Consider resolution authorizing the Superintendent of Schools to make short term investments of school district funds and to perform the duties of clerk and treasurer.**

It is helpful if the board authorizes the Superintendent of Schools, or his designee, to make short term investments of district funds and to perform the duties of clerk and treasurer. This facilitates the business performance of the district. The following resolution will accomplish this:

“RESOLVED, that the school board desires to have the Superintendent of Schools, or his designee, make investments of school district funds when balances are present. The board also desires that the Superintendent, or his designee, perform the duties of clerk and treasurer.”

---

---

**14. Consider resolution authorizing the agents of the board to lease, purchase and contract for goods and services within general budget categories.**

The board annually authorizes the agents of the board to lease, purchase and contract for goods and services in order to streamline the business function of the district. The following resolution will accomplish this:

“RESOLVED, that the school board desires to have the Superintendent of Schools properly authorized to enter into leases on behalf of the board, and to purchase and contract for goods and services within general budget categories.”

---

---

**15. Consider resolution allowing payment of claims that cannot be deferred to the next meeting without loss of discount or because the claim is the result of contract terms, purchase order terms or a vendor’s standard terms.**

MN Statute provides that claims against the district may be paid prior to the next school board meeting providing that the board:

- a. has delegated authority to the clerk or superintendent of schools to make prior payment, and,
- b. requires that payment made prior to board approval be acted upon at the next board meeting.

This procedure does not affect the right of the district or a taxpayer to challenge the validity of a claim.

The following resolution will accomplish this:

“RESOLVED, that the school board wishes to take advantage of payment discounts on purchases and recognize the terms of contracts, purchase orders and vendors. The school board authorizes the superintendent of schools and/or the school board clerk to pay claims against the district prior to a regularly scheduled board meeting if the claim addresses the conditions mentioned in this resolution.”

---

---

**16. Consider resolution designating the school district legal counsel for 2019.**

The school board should designate the legal counsel for 2019. For the past number of years the district has used Ratwik, Roszak, & Maloney for legal issues. "RESOLVED, that the school board wishes to appoint legal counsel for 2018 and that legal counsel shall be the firm of Ratwik, Roszak & Maloney. Also allowing administration to utilize other firms as needed."

---

---

**17. Designate the official District #314 publication for 2019.**

Does the board wish to once again designate the Isanti County News as the District #314 official publication for 2019?

---

---

**18. Set district travel and meal allowance for district employees for 2019.**

Each year the board adopts a mileage allowance/reimbursement rate. The current mileage allowance for district employees is 'reimbursement at the IRS allowable rate'. The district has been notified that effective January 1, 2019 the IRS mileage reimbursement rate for business miles is \$.58 cents per mile. This is a increase of \$3.5 cent per mile and is the new IRS allowable rate.

The current meal allowance for district employees is:  
Breakfast - \$8.50, Lunch - \$11.00, Supper - \$13.50; with allowable reimbursement at the registration set fee for workshops, meetings, etc., when such is the case.

These terms apply to reimbursement for all district employees, school board members, and non-district employees who may be on school business.
